To

The Secretary to Government of Mysore,
Revenue Department, Bangalore

Sir,

Subject:- Repairs to the motors used for the second bore-well of Bowringpet Town

I have the honour to forward herewith the report received from the President, Bowringpet Municipality with his No V C 122/47-48 dated 17/4/48 and to state that motor used for the second bore-well in Bowringpet Town broke down and caused much inconvenience to the public as the usual supply of water by taps failed The Municipal Council at their meeting held on 21/3/48 resolved to entrust the work of repairing the motor to the Electrical Department as private firms were not capable of executing the work satisfactorily The President reports that he consulted the Electrical Department, Kolar Gold Fields who said that they would require two months time to do the work As the work was of an urgent nature and as the rate payers represented to the Council that the position of water supply was acute and giving anxiety, a special meeting of the Council was held on 30/3/1948 The Council resolved that the work may be entrusted to Shivashankara Stores, Bowringpet which is a private concern, subject to the conditions of using best English new materials and completing the work within 15 days and guaranting the work for 2 years The work was, in view of the urgency, entrusted to the Stores referred to above in anticipation of sanction and has since been satisfactorily executed The Council have paid half the cost of the estimatedvalue of Rs 410/- and the other half would be paid after getting a certificate from the Electrical Department, Kolar Gold Fields as to its proper execution

In the circumstances, I request you kindly to obtain sanction of Government to the resolution of the Council to repair the motor at a cost of Rs 410/- and to meet the expenditure from the closing balance of the Council The action taken by the President in having executed the work in anticipation of Government sanction may be approved, as the work was not an item which could be have been
